I just hate this yearly body checkup. And that Shweta always makes me wait.

Hello Mrs. Patel, how are you?

Just sit down for a few minutes.

Hmm, I'd rather have my exam done by this guy. I wonder how it would be getting a examination done by a hot male doctor!

S.B Fantasy
Doctor-Doctor

Hi Doctor, time for my annual checkup.

Yes Mrs. Patel, please sit down

How have you been, how is Ashok?

Oh, he has been busy. His job always keeps him away.

And I'm left alone, you know how it is!

Is that back pain you had a few months back still affecting you?

No, doctor. I've been getting regular massages for that, so its good

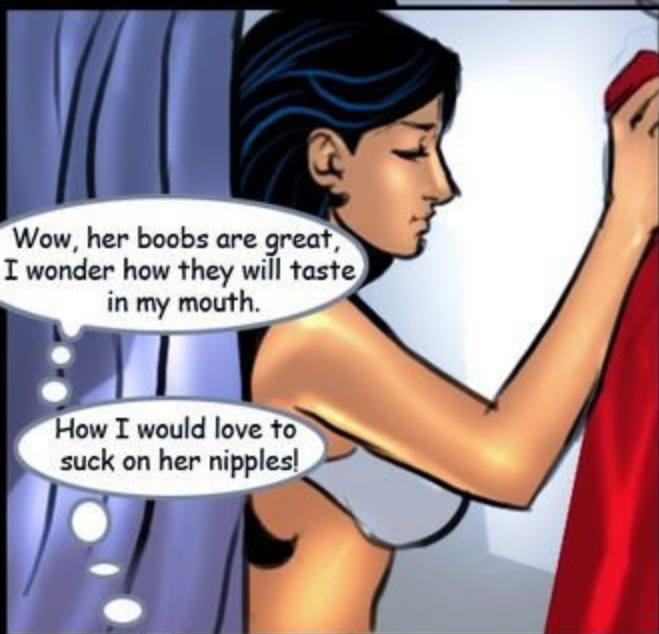

Ok, why don't you go behind that curtain and change into the hospital gown. We'll begin your checkup then.

Damn, I love it when my patients don't close the curtain properly.

I've been dying to get a glimpse of her naked body from the moment she walked in the door.

Wow, her boobs are great, I wonder how they will taste in my mouth.

How I would love to suck on her nipples!

This gown is so tight..

My boobs are almost bursting out of it and its hardly covering my ass!

Doctor, isn't this gown a little too tight for me?

I'm sorry Mrs. Patel, this is the only one I have right now.

Why don't you get on the exam table so we can begin

I wish I could get up on that table with her

Just pressing against that hot body would make me cum!

Open your mouth wide
and stick your tongue out
please.

Oh man, I can feel the
wetness of her tongue on my
fingers. I can't bear to imagine
how it would feel on my
dick.

This is my chance,
I'm going to try and press against
these beautiful breasts

Lets see if she
says anything

Oh no, this almost feels like he's pressing my boobs

I should have kept my bra on.

My normal doctor never presses against them so hard during this exam. I hope this is ok.

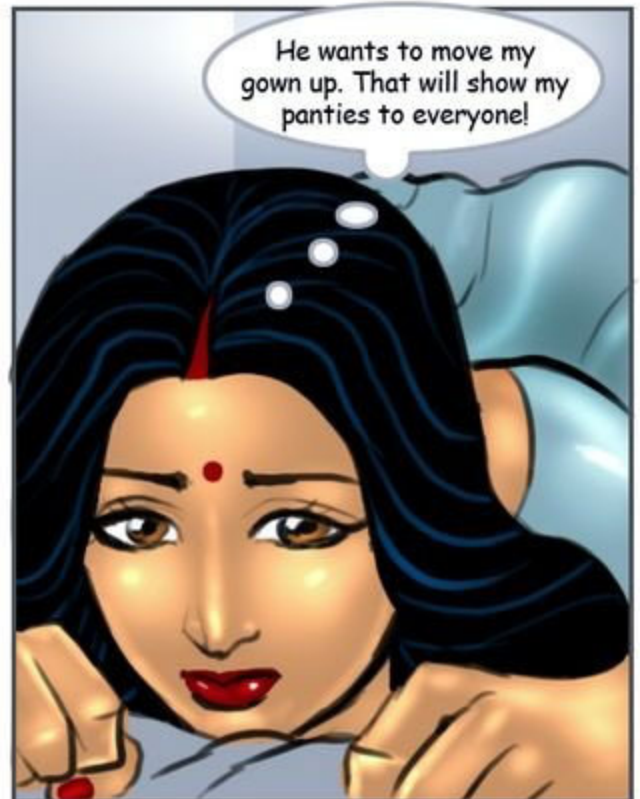

Wow, I can actually feel her breasts pressing slightly against the palm of my hand

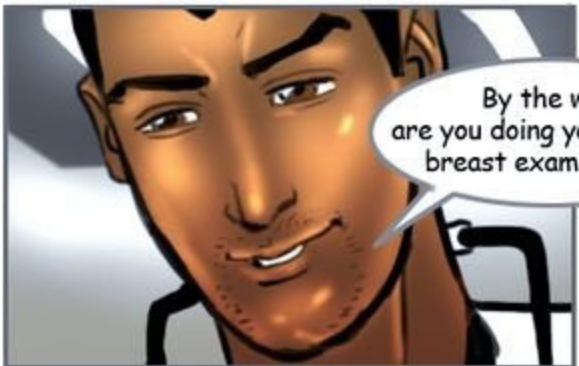

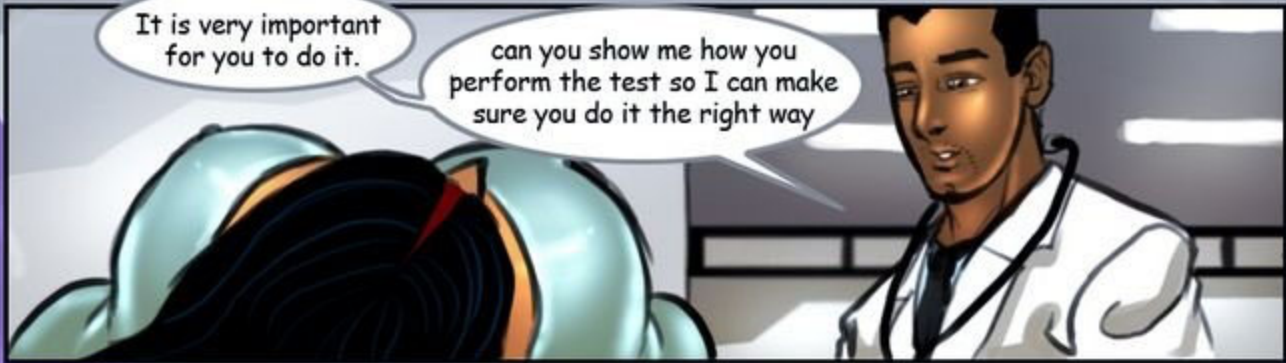

Time to try something else now.

Ok, seems fine. Can you please turn over so I can check your back now.

First I cup them from below and gently massage my boobs to see if I can feel anything different.

Then I take my nipples in my fingers and gently squeeze them.

Man, this is so hot. I have to touch those boobs I just can't stop myself.

No, no, Mrs Patel. That is all wrong

Looks like I'm going to have to show you how to do it right.

Use your fingers and start moving downwards from your nipples, like this

Make sure you do this really slowly.

Then take both your hands and move them around your breast like this to feel for anything.

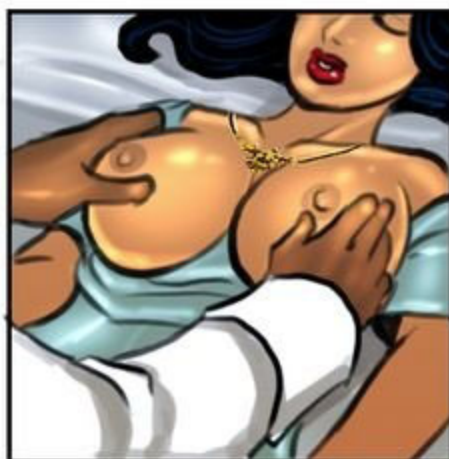

Actually, since you have not done it properly from quite some time, I think it's better I do a complete breast checkup myself.

Can you please move the gown a little lower?

Oh, I might as well do it now. Anyways this flimsy gown is hardly covering anything

No doctor.

Are you sure?
Hmm... what about
sex?

Oh my god!
What is he asking
me!!

Have you tried any ..
hmmm, non conventional
positions lately?

Actually doctor,
sometime back I was
in an awkward position...

Where both my
holes were filled.

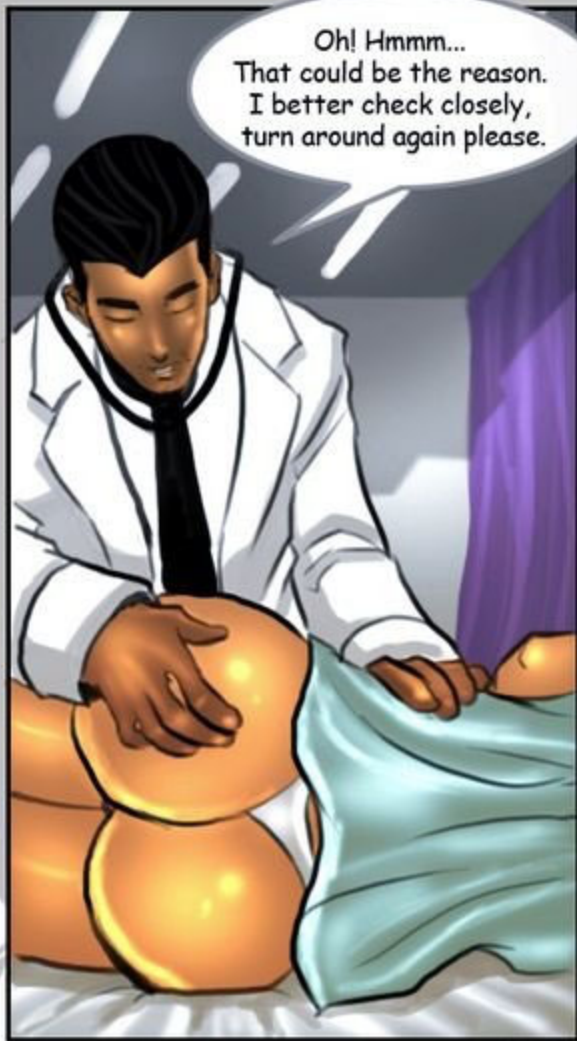

Wow, I don't believe it.
I've got my hands on a real
horny housewife

And today I didn't get
traffic also while coming
to work

This has to be
my lucky day.

Oh! Hmmm...
That could be the reason.
I better check closely,
turn around again please.

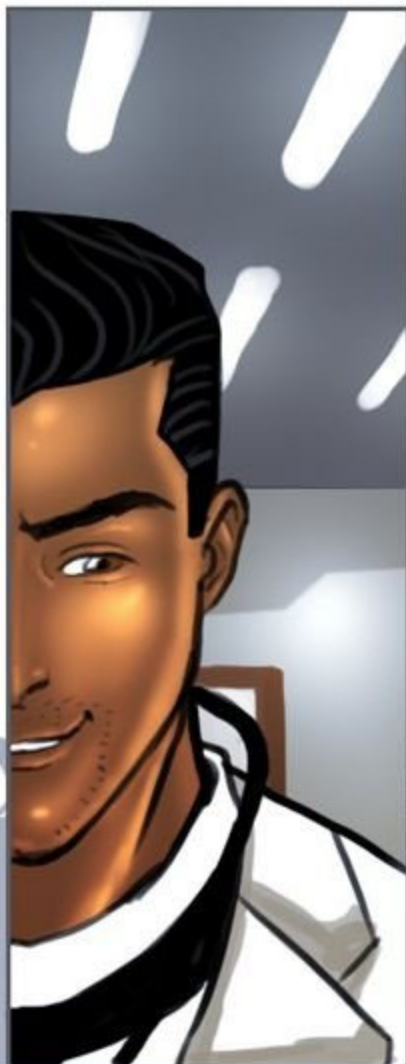

What are you doing doctor,
why did you just pull off
my panties?

Don't worry Mrs. Patel,
its part of the exam

I need to see inside your
pussy to make sure there
are no problems there.

Please spread your legs
wide apart, so I can get
a good look.

So you said both your
holes were filled

Does that mean you
got fucked in your ass and
your pussy?

Oh god, why did I have to blurt that out!!

I'm such an idiot.

Yes doctor.

Oh, so do you normally fuck two guys at a time?

No doctor, its just happened once by accident.

I'm putting my fingers inside your pussy now, to check it

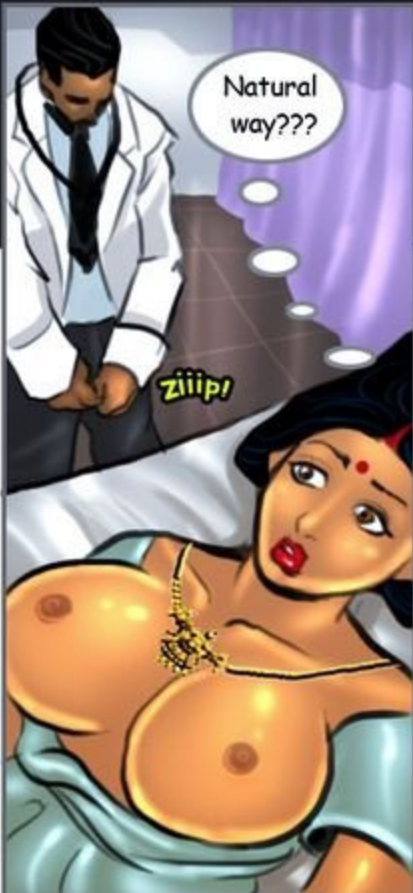

Oh doctor!!

I need to do a deeper examination, where my fingers can't reach

Unfortunately, I don't have the proper equipment right now, so we'll have to do it the natural way.

Natural way???

ziip!

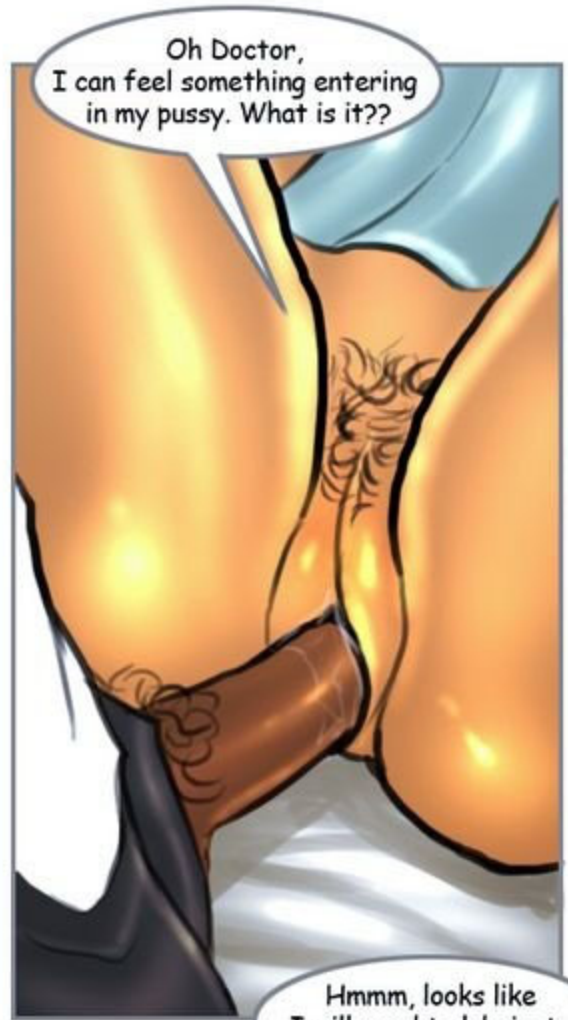

What are you doing doctor?

Nothing Mrs. Patel, just getting the equipment ready. You'll find something hard press against your pussy now.

Doctor..
Ahhh!

Oh Doctor,
I can feel something entering
in my pussy. What is it??

Hmmm, looks like
I will need to lubricate
my tool

My pussy is not wet
enough, its too dry

It hurts!

It will be more hygienic if your
own juices are used for that Mrs. Patel.
You're going to have to take in your
mouth and lick it good.

Till you make it wet
with your tongue, let me try
and get your pussy lubricated
naturally

Oh god, what have I got
myself into this time!

I should get out of
here right now.

But he's already put
his dick in my pussy, already
FUCKED ME!

And he knows I've been fucked
by the two building boys. I might as well
go along with whatever he says!

Ahhhhhh

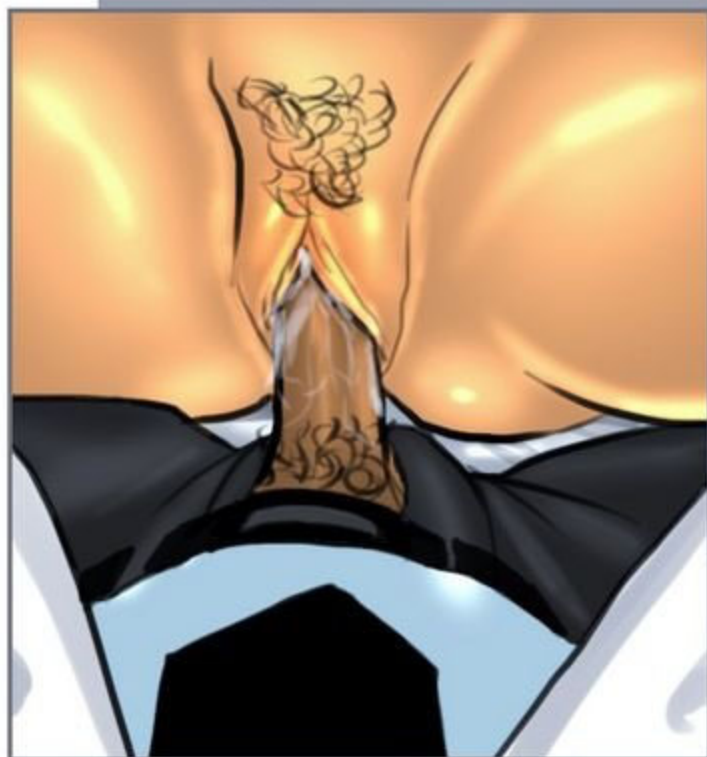

Ahhhhh

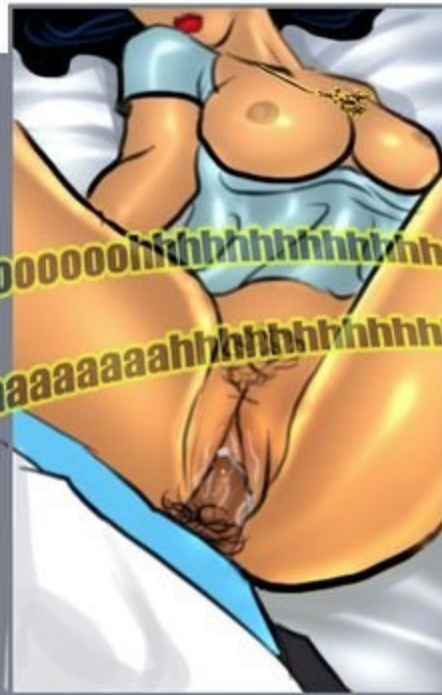

Is everything ok doctor?

Yes Savita, its almost gone completely in!

Can you feel it?

I can, I can...

Just a little more...

Oh, she's got as horny as me now. I have to take this chance to get on top of her!

OK doctor. Do it, do it!

It's not enough like this.
I think its better if we do it
from front

We better take off
our clothes too. I don't want
anything scraping against
your body

Ok doctor,
whatever you
say.

Oh god, I can't believe I'm doing this, but his dick feels so great inside my pussy!

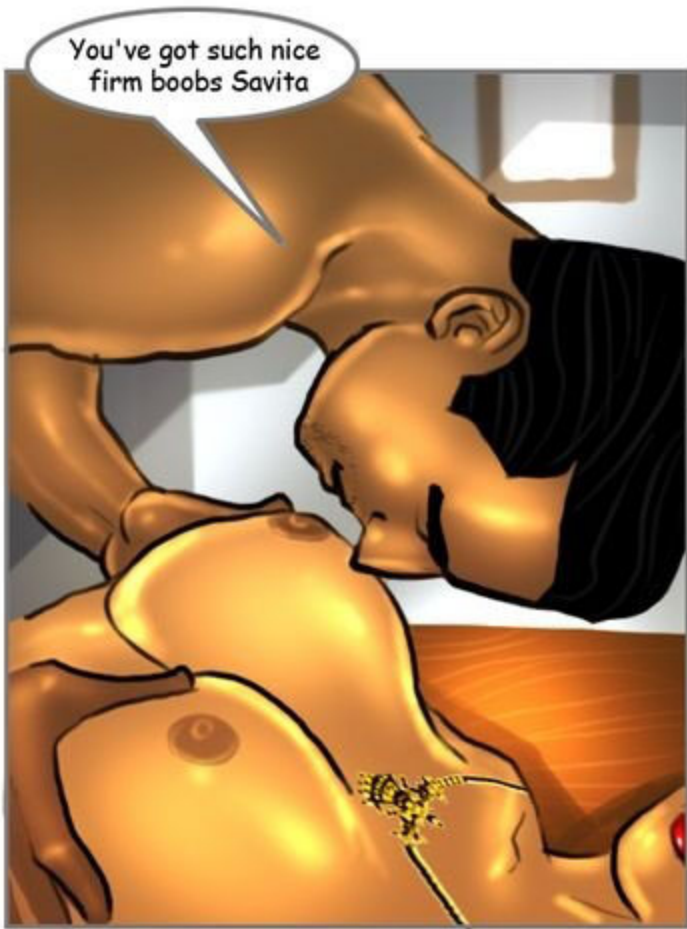

Please spread your legs wide. The wider you spread, the deeper it will slide in.

Ahhh

Oh, our naked bodies touching each other feel so great!

AAAAAAAAAAAAHHHHHHHHH!!!!
OOOOOOOOAAHHHHH!!!!

Oh doctor,
faster!

Do it faster,
push it deeper

I'm almost about to cum.
Just a few more strokes
inside her pussy and...

Please don't
stop doctor

Please don't stop
FUCKING me!

I'm gonna cum

Mrs Patel?

Huh?

Doctor Shweta
is ready for
you now

Oh what a
fantasy!

I think I'll have to
change my doctor soon
and see if I can make
it come true!
